Take the challenge and join us at the first annual Art Lab West, scheduled for January 17-18 at the beautiful Beaver Creek Reserve in Fall Creek Wisconsin. Choose one of the tracks below to go “in depth” and explore the art form that interests you the most! Participants will also work together in large groups for team building and sharing. Our Sunday brunch will even feature the creations of the Culinary Arts Track! Why not get a group of youth and adults together from your county for a weekend of ART!

# Art Lab West

As a result of discussions with the Arts and Communication Advisory Board, the former Arts Leadership Lab state-wide arts program is being re-created into two separate events on each side of the state, Art Lab East and Art Lab West. Both 4-H youth and adults are invited to participate in one or both of the Labs as the track offerings could be a bit different for each site.

The mission of the Art Labs is to provide an in-depth and focused experience in the “art track” of choice. Tracks are being expanded from the traditional communication, music, theatre arts, video, and photography to include other topics such as Culinary Arts, Basketry, Quilling, Comic Book Art, Tae Kwon Do and more! Each participant will choose one track for the entire weekend.

Auditions for the State 4-H Drama Company and the 4-H Showcase Singers will be conducted at 3:00 pm on Saturday, January 17<sup>th</sup>.
